

# CROCKPOT

## Pumpkin Maple Latte

- 4 cups very strong coffee
- 8 cups unsweetened almond milk
- 1/2 to 3/4 cup pumpkin puree
- 1/2 cup maple syrup
- 1/4 cup sweetener of choice (brown sugar adds great flavor, can also use additional maple syrup)
- 1 tbsp vanilla extract
- 1/2 tbsp pumpkin spice extract
- 1 tbsp pumpkin pie spice

Mix ingredients, add to crock pot. Cook on high 2-3 hours, then set to warm for as long as you need!

*Chemist Tip:* Pumpkin puree will settle to the bottom, stir vigorously before serving to get pumpkin in serving.
